Abstract Submission : **10th Aug 2024**
Acceptance of abstract : **15th Aug 2024**
Registration : **16th Aug 2024**
Full-length manuscript submission : **31st Aug 2024**

KRUPANIDHI

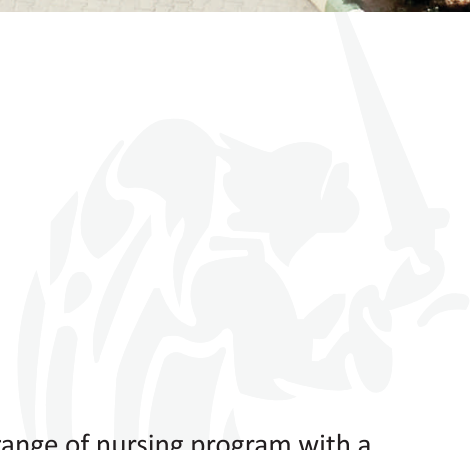

About **INSTITUTION**

Krupanidhi Groups of Institutions was founded by Prof. Dr. Suresh Nagpal with an aim to holistically nurture the students by providing them with top quality education. Our residential campus with multi- ethnic and diverse setting hosts 6500 students from more than 30 countries and various parts of India who bring in uniqueness from all corners of India as well as from various parts of the world.

Krupanidhi college of Nursing, an ISO 9001-2015 certified institution was established in the year 1992 with an aim to be a prime contributor towards moulding nursing professionals for future. We are a leading

provider for a vibrant range of nursing program with a long standing reputation for excellence and quality; fostering the young nurses with the best of knowledge and skills with advanced technologies to transform them to be a competent nurse. The institution has an incubation centre named “Krupanidhi Research Incubation Centre” which supports the faculty and students by mentoring and sharpening their analytical skills to promote research culture in the campus. The institution is being privileged to be awarded “The best Institute for Research and Innovation in Higher Education” by INDIA DIDACTICS ASSOCIATION.

About CONFERENCE

Artificial intelligence, machine learning, telemedicine, and wearable devices have opened up a plethora of new possibilities, driving the future and transforming healthcare. KrupaNucon2024 offers successful case studies and best practices of technology integration in nursing practice and education to enhance the quality outcomes respectively. The conference also addresses the practical concerns such as patient privacy, data security, and the digital divide in healthcare. It would also offer the strategic plans to ensure the nursing profession remains at the forefront of healthcare innovation.

Objectives

- ❑ Explore the AI tools in enhancing learning outcomes
- ❑ Apply games to enhance academic success
- ❑ Appraise innovative technologies in nursing practice
- ❑ Recognizes the ethical issues in integrating technology in health care
- ❑ Develop strategies for empowering nurses to sustain relevantly in digitized health care system

CONFERENCE HIGHLIGHTS

- ✓ **INTERNATIONAL & NATIONAL SPEAKERS**
- ✓ **GENERATIVE AI AND GAMING IN EDUCATION**
- ✓ **PAPER & E-POSTER PRESENTATION**
- ✓ **BEST PAPER / POSTER AWARDS**
- ✓ **CONFERENCE PROCEEDINGS**

CALL FOR ABSTRACT & FULL-LENGTH MANUSCRIPTS SUBMISSION

KrupaNucon 2024 takes immense pleasure in inviting the delegates to submit their original work for paper and poster presentation

Track 1: Inculcation of Innovation and Technology in Field of Nursing	Track 2: Enhancing teaching learning outcome	Track 3: Sustainable Development, Global Health & Well being, Complementary therapies in nursing practice
